BLACK BEAR

Are you out “bear hunting” in your neighborhood? People everywhere have been placing stuffed bears in windows for lucky hunters to find. While you’re on the prowl, check out our black bear facts and record how many bears you’ve found!

BLACK BEAR FACTS

- Found in Summit County.
- Colors include black, chocolate brown, cinnamon brown, blue-black and white.
- Can run up to 35 mph.
- Adults may weigh anywhere from 150 to 700 pounds.
- Cubs remain with their mother for the first year and a half, then look for their own territory.
- A typical cub weighs about 8 oz at birth, or as much as a block of cream cheese.
- Prefer wooded areas with a dense understory, but will use open areas.
- Live up to 20 years in the wild.
