Select the file

For convenience, the Zoning Code and the Zoning Code by Title is listed on the page. The option to navigate directly to the Title is made convenient when the inquirer knows the section needed. Please note that all definitions are listed in Appendix A-Glossary of Terms. Each file will open in a separate tab.

Use the bookmarks

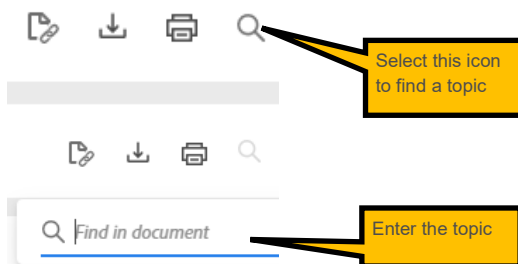

Open the Bookmark Panel on the pdf to be able to directly go to the section needed.

Find a topic

If the inquirer is searching for something, select the find icon or CONTROL-F (windows), COMMAND-F (mac) to search.

Contact us

Questions may arise. Do not hesitate to contact our office.
