## Certificate of Appropriateness

**Any structures or signs being installed in Overlay Districts or any addition or alteration to a Registered Historic Structure in the City of Tallmadge must receive a Certificate of Appropriateness from the Architectural Review Board before application for a Zoning Certificate can be issued.**

- Eight (8) completed application packets + 1 electronic version + fee per the Schedule of Fees must be received in the Planning & Zoning Department per the Meeting & Application Deadline Schedule 12 days prior to regularly scheduled Architectural Review Board meeting (generally held the last Tuesday each month).

**The 8 application packets, stapled or clipped (no loose-leaf uncollated sets), must include:**

- Typewritten application signed and dated by both applicant and owner
- Complete sets of drawings and specifications of proposed project.
- Site plan showing the plot configuration and its perimeter dimensions, all structures on the site, location of all structures adjacent to the site within fifty (50) feet of the property line, all vehicular drives, roads, related parking areas, main walks, walls, fences and major existing landscaping per the Zoning Code and the Overlay District Review Guidebook, as applicable.
- A vicinity map, a north arrow, the first-floor level and existing and finished grade elevations at each corner of new construction and at each corner of the site.
- Four elevation drawings - front, rear, 2 side elevations and cross-section shown to a scale not less than 1/4" per foot.
- Material and color samples of all major finish materials.
- Drawings or photos of existing structures where additions are to be constructed.
- A written narrative describing the proposal and objectives and how the design reinforces the objectives and meets the criteria for the Certificate of Appropriateness.

Applicant shall be present at the Architectural Review Board meeting.

After the approval of a Certificate of Appropriateness, a Zoning Certificate may be applied for in the City of Tallmadge Planning & Zoning Department.
